

How to Talk to a Dragon

Perfect princesses know that it's always important to be polite—especially when talking to a dragon. The princesses Charlotte and Katie must speak to a dragon without offending her. Can you help them choose the correct thing to say? Mark the perfectly polite option.

- A “You dragons sure are big and scaly.”

B “I do so love your shiny scales and beautiful eyes!”
- A “May I please scratch you?”

B “I’m going to scratch you now, so don’t move.”
- A “Stop flying around and sit still!”

B “Please come down from the ceiling.
There’s nothing to be scared of.”
- A “You breathed fire all over the carpet and now it’s ruined.”

B “I know you’re upset, but can you please not breathe fire?
It does scare me so.”
- A “Your baby dragon is so adorable. I would love to give her a hug!”

B “Go away. I want to play with your baby now.”
