COMMEMORATING THE 100TH BIRTHDAY OF Margaret Wise Brown

HarperCollins will commemorate the 100th birthday of Margaret Wise Brown on May 23, 2010. Brown transformed the landscape of children's literature with such beloved classics as *Goodnight Moon* and *The Runaway Bunny*. Other perennial favorites are *Big Red Barn*, *Christmas in the Barn*, and *The Important Book*. Her "here and now" style has been an enormous influence for the past half century.

In commemoration of Margaret Wise Brown, HarperCollins has created this event kit bringing her books to life through activities. We hope this kit will help you celebrate some of her beloved bedtime stories.
